

Purpose

The Women Leaders in Digital Health award recognizes women at all stages of their career progressions. The awards celebrate those female visionaries harnessing the power of IT to transform health and healthcare, and is unique among power lists and award programs. It is inclusive of women of influence, no matter where they might be in the health IT field.

Eligibility

This award is open to all females in the Digital Health community in Canada.

Criteria

Nominations must specifically address all the following criteria.

- The nominee's efforts have made a significant contribution to move the Canadian HI/telehealth agenda forward.
- The nominee's leadership and influence is recognized within his/her jurisdiction or more broadly, often at the national level.
- This contribution is the result of the nominee's dedication and promotion of activities, involvement with organizational change or transformation through the use of technology also requires sound operational strength including the qualities of enterprise confidence and credibility, effective organizational communication and broad influence.
- The nominee's leadership and influence has made a significant contribution to or strongly impact health outcomes or health system improvements

Supporting Material

Please include the following with your completed nomination form.

- A letter outlining the reasons the nominee is recommended for consideration (200 words max.)
- At least two other letters of support for the nominee

Submission Instructions

Submissions should be sent via email to **awards@coachorg.com**. A notification will be sent confirming receipt of your email. Nominations must be complete. Incomplete Nominations will not be considered.

Submission Deadline: September 8, 2017

Winners

Award submission will be reviewed by an adjudication committee of industry peers. The successful submissions will be contacted mid-October. Award winners will be announced during Digital Health Week November 2017.
